

WARFUCK

Backline, Catering & Hospitality Rider

**FIRST, none of us are going to be upset if we can't land any of these things.
We aren't rockstars.**

Basically, think as if Warfuck are 3 : Nico, Mak & a driver.

FOOD & DRINKS

- Vegetarian / No cheese goat
- A warm meal would be appreciated!
- We like beers, weed (very much), sparkling water & hot tea
- After show: a bottle of strong alcohol & some munchies (to share) would be appreciated
- Some Club Mate would be a must!

MERCH

- A table with some space for 2 t-shirts / 2 vinyls / 2 cds (approximately)
- A chair would be super! 2 would be awesome!

ACCOMODATION

- A place to sleep that is not noisy / floor is OK / clean beds are OK too
- Please no hotel
- It would be really appreciated to don't have to take the car after the show (we can walk!)
